

Field & Maintenance Manager – Fillmore Girls Fastpitch

The Field & Maintenance Manager ensures that all playing fields and facilities are safe, well-maintained, and ready for games and practices. This role plays a key part in providing players with a professional and enjoyable softball experience.

Key Responsibilities:

- Obtain required use permits for League fields.
- Create and manage a budget for field maintenance and related expenses.
- Oversee the condition, preparation, and upkeep of playing fields.
- Develop and implement plans for ongoing field improvements.
- Organize field days for community improvements, when needed.
- Coordinate field use for League playoffs and tournaments.
- Report and address any safety hazards on fields promptly.
- Maintain and oversee the batting cage at Shiells Park.

The Field & Maintenance Manager is vital to keeping our facilities safe, game-ready, and welcoming for players, families, and the community.
