

Webmaster – Fillmore Girls Fastpitch

The Webmaster manages the League's online presence, ensuring families and community members have easy access to information, updates, and registration. This role helps promote events, streamline communication, and recognize community sponsors.

Key Responsibilities:

- Maintain the League's website (Team Sideline), including registration, event promotion, and program details.
- Add all meetings, events, and details to the online calendar.
- Manage email communication to the community, including newsletters and advertisements.
- Create and manage a budget for website-related expenses.
- Ensure sponsorship fees are collected and provide sponsors with appropriate recognition and appreciation.

The Webmaster plays a vital role in keeping the League connected, organized, and visible in the community.
