

Equipment Manager – Fillmore Girls Fastpitch

The Equipment Manager ensures that all players and teams have the equipment and supplies needed for a safe and successful season. This role is essential in maintaining organization, accountability, and readiness across the League.

Key Responsibilities:

- Purchase and distribute necessary equipment for the League.
- Maintain an inventory of each team's equipment.
- Collect and disburse equipment from team managers at the start and end of the season.
- Create and manage a budget for equipment-related expenses.
- Track and maintain League-wide equipment inventory.
- Ensure first aid kits are stocked and accessible in team bags and the snack bar area.
- Maintain supplies and oversee equipment contracts with coaches.

The Equipment Manager plays a vital role in supporting coaches and players by keeping the League's equipment safe, organized, and game-ready.
